**STATEMENT OF FACTS IN SUPPORT OF FILING ON BEHALF OF NONSIGNING  
INVENTOR (37 C.F.R. § 1.47)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This statement is made as to the facts that are relied upon to show the refusal of the non-signing inventors, John Fox and Errol O'Brien, to sign the Declaration for Patent Application (With Power of Attorney) for the above referenced Patent.

Because signing on behalf of the non-signing inventors is by an entity showing sufficient proprietary interest, this statement also recites facts as to why this action is necessary to preserve the rights of the parties or to prevent irreparable damage.

This statement is being made by the available person having first-hand knowledge of the facts recited therein.

**Identification of Person Making This Statement of Facts**

**Name: Douglas R. Young, Director**

**Address: 53 Coldwell Road, Yandina QLD 4561 Australia**

**DETAILS OF REFUSAL OF NON-SIGNING INVENTOR  
TO SIGN APPLICATION PAPERS**

1. John Fox and Errol O'Brien were formerly employed by Bushwater Pty Ltd, an Australian company, to assist in the development of the invention which is the subject of the above referenced Patent Application.
2. Bushwater Pty Ltd. and Bushwater Holdings Pty Ltd. entered into a License Agreement dated November 30, 2001 (copy attached), in which they agreed that "If an improvement is made or developed by the Licensee [Bushwater Pty Ltd], all Intellectual Property rights in the improvement belong to Licensor [Bushwater Holdings Pty Ltd.]; and the Licensee hereby assigns to the Licensor such Intellectual Property." See Section 6.3.1. The invention which is the subject of the above referenced Patent Application is an "Improvement" subject to the License Agreement.
3. Bushwater Pty Ltd. Terminated its employment contract with John Fox and Errol O'Brien on July 20, 2006.
4. On July 20, 2006, John Fox and Errol O'Brien signed Deeds of Confirmation (copies attached) in which they agreed that all rights, title and interest in the claimed invention have vested in Bushwater Pty Ltd., and that they have no grounds to challenge or dispute the proprietorship of the invention.
5. The Deeds of Confirmation also assigned any residual rights in the claimed invention to Bushwater Pty Ltd., and John Fox and Errol O'Brien agreed to execute all documents necessary or desirable to complete registration of Bushwater Pty Ltd. as the owner of any registrable intellectual property rights in respect of the invention.
6. John Fox and Errol O'Brien have, since the execution of the Deeds of Confirmation, been completely uncooperative in their dealings with Bushwater Pty Ltd., and they have refused to honor their agreements with Bushwater Pty. Ltd, including the execution of documents and the return of property.

**Serial No. 10/584,358**

7. Because of the termination of the employment of John Fox and Errol O'Brien, there is ongoing hostility which makes it very unlikely that they will sign the Declaration for Patent Application with Power of Attorney.
8. The last known address of John Fox is:  
5/21 Maple Street  
Maleny QLD 4552, AUSTRALIA.
9. The last known address of Errol O'Brien is:  
301 Oakey Flat Road  
Morayfield QLD 4506, AUSTRALIA
